OUR EVENTS

AWS re:Invent Watch & Build Party

December 4, 2026 - Awka, Anambra State
500+ attendees. Live keynote stream from Las Vegas. Hands-on build sprints. Prizes. Food. The biggest tech watch party South-East Nigeria has seen.

AWS Student Community Day Awka

Q1 2027 (date TBA) - Awka, Anambra State
700+ attendees. Full-day conference. Dual-track workshops. Project showcases. Networking. The flagship student cloud event in the South-East.

WHY PARTNER WITH US

- Direct access to 500-700 tech-literate students per event, the hardest demographic to reach through traditional advertising
- Live product activation: QR codes, app sign-ups, demos. Conversion rates at engaged student events are unmatched
- Brand placement across all materials, social channels, livestream overlays, and post-event content
- Speaking slots to tell your story to a room that is actually listening
- Post-event impact report with real numbers within 72 hours
- Year-round visibility through bi-weekly campus games (Full Season partners)
